# Y FOR YOUTH

## COMMUNITY FESTIVAL

Since 2012, **Y for Youth** has brought families, neighbors, and supporters together to celebrate the power and potential of young people while raising critical funds for YMCA of Greater San Francisco's youth programs across the Bay Area. The event has grown into a vibrant, family-friendly community festival paired with an evening VIP reception that highlights the impact of philanthropy and partnership.

The festival is free and open to the public thanks to the generosity of sponsors who believe in creating access, opportunity, and belonging for every child.

## Benefitting YMCA Youth Programs

Y for Youth supports YMCA of Greater San Francisco programs that help young people thrive at every stage of life. From early learning and after-school enrichment to teen leadership, mental health support, and wellness programs, the Y serves more youth each day than any organization outside of the public school system.

Your support helps ensure that:

- Youth have safe, supportive spaces to learn and grow
- Families can access affordable programs and care
- Young people build confidence, leadership skills, and lifelong healthy habits
