

41ST ANNUAL CHINATOWN YMCA ARO GOLF TOURNAMENT AND CRAB FEED

Celebrating Community and Fellowship

Join us for the 41st Annual Chinatown YMCA ARO Golf Tournament and Crab Feed, a beloved San Francisco tradition that brings together golfers and community service champions for a day of fun and impact.

Spend your morning navigating the legendary fairways of Lake Merced Golf Club, recognized among the top 20 courses in California and top 100 in the nation. This Alister MacKenzie-designed gem features dramatic elevation changes and tree-lined fairways, restored in 2022 by Gil Hanse and Jim Wagner. With six tee options, it offers a welcoming round for players of all levels.

Then gather with friends, old and new, for an evening of community, laughter, and fresh Dungeness crab at the Chinatown YMCA. Enjoy delicious food, exciting raffle prizes, and the kind of fellowship that has kept this event going strong for more than four decades!

Raising Support for Chinatown YMCA

The Chinatown YMCA has been a cornerstone of the San Francisco community for over a century, dedicated to enriching the lives of youth, families, and seniors.

Our programs provide essential services, ranging from academic and social development to health initiatives and food assistance. Your support helps sustain these vital community resources and empower people to unlock their greatest potential, where they can Be, Belong, and Become.

A Legacy of Service — The ARO Story

Since 1950, the ARO (Alpha RAM Omega) Men's Service Club has been a driving force behind the Chinatown YMCA's impact. Founded by a group of teenage boys committed to fellowship, leadership, and service, the AROs built a legacy of giving that has shaped the Chinatown Y for more than 75 years.

Through volunteerism, fundraising, and steadfast community leadership, ARO members have helped create life-changing opportunities for generations of youth and families.

Their enduring commitment reflects the power of philanthropy to strengthen community and transform lives.

This year, we proudly dedicate the event in memory of Louis E. Kwok—founding ARO member, extraordinary fundraiser, and beloved champion of the Chinatown YMCA whose legacy continues to inspire.
