

30TH ANNUAL MISSION YMCA PRO-AM GOLF TOURNAMENT

An Unforgettable Day at Pasatiempo Golf Course

As we celebrate 30 years of the Mission YMCA Pro-Am Golf Tournament, we have set a goal of \$300,000 to expand programs serving children, families, and seniors in the Outer Mission community. Held at Pasatiempo Golf Club, one of the nation's top 100 courses, this milestone event brings together corporate partners and supporters for an unforgettable day of golf and connection.

Three Decades of Community Impact

Since 1996, the Mission YMCA Golf Tournament has helped raise more than \$1.8 million in support of programs serving children, families, and seniors. Proceeds have also sustained a longstanding partnership with the San Francisco-Marin Food Bank, helping distribute more than 230,000 grocery bags to older adults in the community.

Today, the Mission YMCA is building on that legacy, expanding with two new childcare sites and enhanced food distribution to provide an additional 250 grocery boxes each week.

IN 2025, TOURNAMENT PROCEEDS SUPPORTED:

- **Child Development:** 120 infants, toddlers, and preschoolers served across three licensed childcare sites
- **Youth Programs:** 700+ students reached through after-school and summer enrichment at five local schools
- **Teen Leadership:** 45 middle school youth engaged weekly in leadership and skill-building programs
- **Senior Services:** 535 older adults participating in daily wellness and social connection programs
- **Food Security:** Weekly pantry supporting 400+ households
- **Financial Aid:** 85% of participants receive assistance, ensuring programs remain accessible to all

30TH ANNUAL MISSION YMCA PRO-AM GOLF TOURNAMENT

Your Investment Makes a Difference

The Mission YMCA is sustained through the support of corporate and community partners who help expand access to essential programs and services. Together, we ensure resources remain responsive, accessible, and grounded in the needs of the Outer Mission community.

Your investment helps provide the stability and support families rely on—today and into the future.
